WELCOME TO SSITS 2024

All at the SSITS team are looking forward to an exciting upcoming season. For its second year is the successful Arbutus Meadows Summer Welcome, July 11-14. Returning with it is the ever-popular Equitation multi-phase, including a gymnastic section and the interesting GymJump competition

We have had super response from sponsors this year and SSITS would like to thank them, each one of them, for making the effort to support and encourage the Hunter Jumper sport in our area. Some sponsors have been with SSITS for many years, and some are brand new this year. Their generosity is what helps connect horses, riders, trainers, grooms, stable help to the competitions. We appreciate very much their contributions.

On a different note, SSITS is proud to continue its long time involved with Uryadi's Village and Jennifer Fill Crooks by sponsoring little Andualem in Ethiopia. Jennifer, a Washington State show jumping horse woman all her life, created the amazing orphanage of Uryadi's Village in Ethiopia and it continues to thrive and grow.

SSITS and the team are excited to get going for 2024 and wish all competitors the best of luck.

3. Signed SSITS Capri Insurance Waiver. All riders, competitors, and trainers MUST sign a SSITS Capri Insurance waiver prior to participating in the show. Only one waiver needs to be signed for the 2024 show year for the SSITS Season Opener, SSITS Sun Bowl and SSITS Season Finale. This form is for SSITS and its team members.

DOGS: All dogs must be on a leash on the show grounds please.

SCRATCHES: PRIOR TO THE FIRST DAY OF THE SHOW – Exhibitors canceling after closing date shall forfeit their entry fees except in the case of disability of entry. STABLING: Stabling is limited so please enter early. Bedding is available. Please indicate stabling on your entry form.

CAMPING: Is available on the grounds. Space may be limited. Please let us know if you are coming early so we can let the Fairgrounds know.

Campers with power hookup, \$55.00 per night.

Campers without power hookup, \$45.00 per night.

Tents are considered as an RV without power, \$45.00 per night, and have always been counted by the Saanich Fair Board. As well, staying overnight in gooseneck horse trailers or in the back of horse trailers are counted by the Saanich Fair Board and charged the same way. The reason for this is because of the restroom and shower facilities the Saanich Fairgrounds provide to all visitors staying on site.

Please indicate days you are staying on your entry form. Any campers wishing to come early or stay on Sunday night need permission from the Saanich Fair Board. If you wish to come in early, or stay late, or do not have a SSITS entry, please let Judy know and she will coordinate with the Fair Board. Water is NOT available for campers to use. CAN Jump

The CAN Jump Initiative is a collaborative endeavour that has been put together by athletes and supporters of showjumping in Canada. It is a focused effort to promote a sustainable pathway of financial backing for athletes representing Team Canada in the sport of showjumping on the international stage. Our goal is to bring passion back to the Canadian Equestrian Team.

For the past 40 years, many Canadian riders dreamed of representing Canada in equestrian competition. This desire to ride for Canada created a depth of riders to choose from and strengthened our international success. We strive to make it an honour and privilege to ride on "The Team". We intend to create a sustainable future for Canadian showjumpers by putting in place a source of funding that will allow access to Nations Cup and Youth team competitions, so riders can arrive at these events with everything they need to be successful; this takes money.

This initiative is supported by the Canadian Olympic Foundation and Equestrian Canada, with the benefit of tax-deductible contributions. Strict guidelines have been established to ensure the money raised is for the sole purpose of supporting senior, youth and developing athletes representing Canada in international competition. All money raised will go directly to travel costs, team clothing, and other expenses related to team competitions.

The CAN Jump Initiative comes at a time of great hope and

excitement within the team at the naming of our new Technical Advisor Captain Canada Ian Millar. He has been a pillar of the Canadian Team for over four decades. This generation and the generations to come are ready to thrive under his guidance. We want you to join us in the bright new era of showjumping in Canada!

together we will make canada proud
